Application to become a **Member or Fellow** of the Institution of Mechanical Engineers as an **existing registrant**

About this form

Use this form to apply for membership of the Institution of Mechanical Engineers if you're already registered with the Engineering Council via one of the institutions they approve.

Before you begin this process you should be confident that you meet the current requirements.

Eligibility

Registered engineers with the Engineering Council (EngC) who can demonstrate a strong element of mechanical engineering within their role and practice would be considered eligible to apply.

You must be serving in the armed forces or have left the service no more than 12 months before the date of this application.

Applying for Fellowship

You are eligible to apply for Fellowship if you meet the rank requirements. For REME personnel this is Lieutenant-Colonel or above. For Royal Navy personnel this is Commander or above. For RAF personnel this is Wing Commander or above.

The application process

Once you have completed all sections of this form, please return it to the address at the top of the page.

Once we have processed your application we will let you know in writing whether it has been approved. While an interview is not mandatory, there may be occasions when one is required.

This form has two sections

You must complete all sections before you submit your application:

1. About you
2. Sponsor

Using this form

- Please type using a black font
- If you make a mistake please clearly cross through it and correct it – you do not need to request a new form
- Please fill in all applicable fields in this form

Support text is shown alongside questions at the point of need.

Application checklist

- ☐ Have you enclosed the application fee?

Details of our current fees and credit card payment form can be found on our website. Cheques should be made payable to Institution of Mechanical Engineers.

Section 1: About you

Part A: Personal and employment details

Membership details

Which level of membership are you applying for?

☐ Member

☐ Fellow

Part B: Your registration details

Please provide details about the Institution you are currently registered with, and what level of registration you hold.

Institution

Level of registration (eg CEng, IEng)

Level of membership (eg Member, Fellow)

--

EngC Number

--

Part C: Your experience

Please give a brief outline of your work, experience and mechanical engineering knowledge and how this may have changed since initial Engineering Council registration. Please limit this to 600 words. If you need more space, please attach a separate sheet.

[illegible]

Part D: Staying in touch

We would like to keep you informed of relevant services that may be of benefit to you. Please tick the boxes below to let us know what you'd like to hear about.

- ☐ News and updates from the Institution
- ☐ Events and training opportunities
- ☐ Services and offers from our preferred partners

Your personal data is stored on our membership database and treated with the highest confidentiality in line with current data protection legislation. For more information visit www.imeche.org/privacypolicy

Part E: Your declaration

This is your declaration, please ensure that you read it carefully before you sign underneath.

I have read and will abide by IMechE Codes and Rules of conduct (www.imeche.org/membership/ethics). I will undertake engineering activities in a way that contributes to sustainable development. I will carry out CPD necessary to maintain and enhance competence in my areas of practise, including a Personal Development Plan.

I, the undersigned, certify these statements are true, and do hereby agree that in the event of my election I will be governed during my membership by the Royal Charter and By-Laws of IMechE, as they are now formed or as they may hereafter be altered, and that I will not use any titles, abbreviated titles or descriptions associated with IMechE except those to which I am entitled under the By-Laws.

I further undertake that I will pay an annual subscription as prescribed in the By-Laws, and if at any time I shall desire to withdraw from the Institution, I will forthwith pay all arrears of subscription or other payments due from me.

Section 2: Sponsor

Part A: Sponsor details

Applicants should be sponsored by a registered engineer with the Engineering Council, at the same level or above the registration category you hold and be a Fellow of a Professional Engineering Institution, if you are applying for Fellowship.

I understand that, having read the By-laws, I will be supporting this application and thus recommending the applicant to the Trustee Board as worthy of IMechE membership, and that he/she holds the rank indicated above.
