

## **IMechE – HK Branch New Member Award 2018**

### **1. Objective**

The award is given to new member(s) (MIMechE) of the Institution of Mechanical Engineers (or "the Institution")

- To recognise his/ her outstanding achievement leading towards to his/ her membership
- To recognise his/ her outstanding commitment to the professional standard leading towards to his/ her membership

### **2. Target Candidates and Eligibility**

The nominee must:

- Obtain his/ her membership (MIMechE) in Year 2018
- Fill in and return the application form before the after-mentioned deadline

### **3. What we are looking for**

The successful nominee shall be able to demonstrate the followings:

- **Optimise the application of technology** - Use a combination of general and specialist engineering knowledge and understanding to optimise the application of existing and emerging technology;
- **Analysis and solution of engineering problems** - Apply appropriate theoretical and practical methods to the analysis and solution of engineering problems;
- **Commitment to professional standards** - Demonstrate a personal commitment to professional standards, recognising obligations to society, the profession and the environment.

He/ she can also refer to his/ her application form submitted to the Institution for membership.

### **4. Procedures**

We are now calling for self-nomination from all new members or nomination from all members from the Institute (MIMechE or FIMechE). Nominees must complete and return the form on or before the after-mentioned deadline.

The applications submitted for consideration will be short-listed according to the criteria set down by a judging panel established by IMechE Hong Kong Branch Chairman and branch officers. The judging panel will select the winner based on the quality of the application.

### **5. Award and Arrangement**

Award winners will be notified through email around end of April or early May 2019.

### **6. Deadline of Submission**

The application should be submitted on or before 21 January 2019.
