

IMechE – Hong Kong Branch Project Award

1. Objective

The IMechE – Hong Kong Branch “Project Award” is established since 2014 and organized by the IMechE Hong Kong Branch Award and Recognition Subcommittee to recognize project works, including research and technical study, with significant contributions to the advancement of the mechanical practice in Hong Kong. We would look for good projects or innovative products in the past year. In order to give recognition to which have demonstrated outstanding contribution to the Mechanical engineering industry, the Project Award would be granted to the companies by IMechE Hong Kong Branch with an appreciation certificate.

2. Target Candidates and Eligibility

The nominee for this award will be any project or products, for example, a new product, a new manufacturing approach, a new design in the epidemic age or a new digital development from companies which has demonstrated an outstanding contribution to the Mechanical Engineering Industry during 2020/2021 session. The company needs to submit a paper describing the research, engineering works, and project that contributes to mechanical practices in Hong Kong.

The entries are supposed to be on company basis and not individual. In other words, one company can submit maximum one project in this year session.

The submission shall be assessed in three categories with the criteria described later:

1. Mechanical Innovation
2. Digital Advancement
3. New Design in Covid-19 Age

3. Assessment Criteria

Each entry will be assessed against one or more of the following:

- Demonstration of substantial contribution to the Mechanical Engineering Industry;
- Innovation achieved in field of Mechanical Engineering;
- Digital Technology employed specialized for Mechanical Engineering;

- Consideration on sustainability development taken into account;
- Scientific or technical merits and originality of the papers / design as well as their potential contribution to Mechanical Engineering practices in Hong Kong including measure to fight against Covid-19 for the industry and society.

4. Procedures

Companies who would like to take part in the Project Award for the prize are required to submit the entry form attached on or before 28 May 2021, with the detail of the contact person of the company, and the contact details to the following address. Entries can also be submitted by email to imechek@imeche.org:

Room 1606, 16/F Dominion Centre,
43-59 Queen's Road East, Wanchai, Hong Kong

The applications for each category submitted for consideration will be short-listed and assessed according to the criteria set down by a judging panel established by IMechE Hong Kong Branch and the sub-committee Chairmen.

Please also indicate your intended categories. Short-listed papers might be invited to make a presentation at a Technical Meeting organised by IMechE Hong Kong Branch in end June or early July 2021.

For this year because of the epidemic condition, the presentation will be arranged virtually through video conferencing in Zoom. The judging panel will select the winner(s) based on both the quality of the papers and the presentations.
