

The Institution of Mechanical Engineers (IMECHE) dragon boat team – MECH Dragon(機械龍), has been the one of stimulus trigger point for every members across from engineering industry to chase for. The team have achieved good results year after year with greatest teamwork contribution from every individual team member and the eager to search for improvement. With the commitment, motivation, intensity, willpower and not to miss out the eagerness in paddling, unifies a group of members to practice twice per month to boost up the power, stamina and team spirit.

In 2015, the team have participated 3 dragon boat races, *Stanley International Dragon Boat Championship*, *Ap Lei Chau Dragon Boat Race*, and *Sai Kung Dragon Boat Race*, competing against the top professional dragon boat teams in Hong Kong. The team is now recruiting for more new members with passionate and desire for the excitement of dragon boating, to be part of the team – MECH Dragon (機械龍).
