

The Institution of Mechanical Engineers Hong Kong Branch is organizing the 2021/2022 Best Student Design Award to recognize the contribution to the mechanical industry from student design projects and to appreciate the performance of the outstanding mechanical engineering students. This year's award will be given to design project that

- has the potential to impact to the mechanical engineering industry
- exhibits technical excellences in the field of mechanical engineering
- demonstrates innovation and creativity
- shows commercial viability

All design projects that are done by current university undergraduate, postgraduate or higher diploma students (undertaking the course in IVE) and students who possess a membership of IMechE are eligible to be selected as potential awardees.

One entry is allowed from one Institution. Each entry will be assessed against one or more of the following on the eligibility:

- Demonstration of potential contribution to the mechanical engineering industry
- Technology employed specialized for mechanical engineering
- Commercial viability
- Innovation achieved in field of mechanical engineering;
- The projects submitted for the award are also judged based on the scientific or technical merits, creativity and originality of the papers as well as their potential contribution to Mechanical Engineering practices in Hong Kong

Your Institution are cordially invited to submit an entry and the student(s) you selected are required to submit the entry form attached on or before 31 March 2022, with the detail of the contact person, intended category and the contact details to the following address. The entry can also be submitted by email to imechek@imeche.org:

Room 1606, 16/F Dominion Centre,

43-59 Queen's Road East, Wanchai, Hong Kong

A judging panel shall be formed by mechanical experts and experienced personnel from the Mechanical Industry, Department and Authority. The applications submitted for consideration will be short-listed and assessed according to the criteria set down by the judging panel arranged by IMechE Hong Kong Branch.

Short-listed papers might be invited to make a presentation at the Presentation Seminar organised by IMechE Hong Kong Branch. The judging panel will select the winner(s) based on both the quality of the papers and the presentations.

The award recipients and their supporters will be notified through email after the assessment. The award list will be published on IMechE Hong Kong Branch website. Past event details are also published on the website. (<http://nearyou.imeche.org/near-you/north-east-asia/hong-kong/news>)

Please fill in and email the attached nomination form to imechek@imeche.org on or before 31 March 2022. Should you have any questions or concerns, please feel free to contact Mr. Matthew Chan on 9420 4165.

Yours faithfully,
