

IMechE – HK Branch Associate Member of the Year Award 2022/23

1. Objective

The “Associate Member of the Year Award” is a new award in 2022/2023 organised by the IMechE Hong Kong Branch's Award and Recognition Sub-committee given to Associate member(s) (AMIMechE) of the Institution of Mechanical Engineers (or “the Institution”), to recognise:

- Associate Members' contributions in both technical and non-technical aspects:
 - remarkable contribution in any project, product or service at workplace, AND;
 - at least ONE example of any non-technically related contribution

2. Target Candidates and Eligibility

The nominee must:

- Be an AMIMechE member on the date upon receipt of application by IMechE Hong Kong Branch office by email or post;
- Fill in and return the application form on or before the deadline.

3. What we are looking for

The award will be granted to nominee(s) who are able to demonstrate the followings during the 2022/2023 session:

- thorough understanding of the technical side of the project, product or service;
- active participation in non-technical activities in own company, institution and/or other organisations

The nominee(s) shall obtain consent from his/her company for providing and presenting the Information related to the project in his/her application form submitted to the Institution for membership.

4. Procedures

We are now calling for self-nomination from all Associate Members or nomination by all Corporate Members from the Institution (MIMechE or FIMechE).

Application

Associate Members who would like to take part in the Associate Member of the Year Award for prizes are required to submit application forms by email, to imechek@imeche.org, with detailed descriptions on the:

- technical side of a project, product or service and his/her role (e.g. detailed design calculations, method of engineering works, innovative elements employed that increase efficiency, etc.), AND;

- non-technical aspect contributions (e.g. an active participant in company's social services, helper in organising IMechE activities, volunteer for beach cleaning organised by other parties, etc.).

A judging panel would be formed by mechanical experts and experienced personnel from the Mechanical Industry, Department and Authority. The applications submitted for consideration will be assessed according to the criteria decided by the judging panel arranged by IMechE Hong Kong Branch.

Publicity

The award winners list will be published on IMechE Hong Kong Branch website. Past event details are also published on the website.
